## NATIONAL BARTENDERS SCHOOL

To Whom It May Concern;

This letter will introduce Mr. Mike Distefano. I had the privilege and pleasure of being Mike's instructor at National Bartenders School for both the bartending and bar management course. I found him to be a very capable and enthusiastic student. Mike's class participation and test scores were always 100 %. He is personable, responsible and trustworthy. I would not hesitate to recommend him for any position he might be seeking. Any employer would be fortunate to have him. I wish him well in all his future endeavors.

Respectfully,

Joan C. Gillen

Instructor
