

Phi Theta Kappa International Honor Society of the Two-Year College

The presidents of the Missouri junior colleges for women established Phi Theta Kappa in 1918. The purpose of the Society has remained consistent for the past 83 years: to recognize and encourage scholarship among associate degree students. To achieve this purpose, Phi Theta Kappa provides opportunity for the development of leadership and service, for an intellectual climate to exchange ideas and ideals, for lively fellowship for scholars and for stimulation of interest in continuing academic excellence.

Phi Theta Kappa was granted permission by the Mississippi Legislature in March of 1995 to construct a Center for Excellence on the grounds of the prestigious Mississippi Education and Research Center located in Jackson. Groundbreaking for the Center for Excellence took place in January 1996. Construction of the 25,000-square-foot facility was completed in the summer of 1997, when the Center for Excellence became Phi Theta Kappa's permanent home.

Today, Phi Theta Kappa serves 1,100 two-year colleges around the world. The Society's operations are global in scope with chapters located in all 50 United States, U.S. Territories, Canada, Germany and Japan. Nearly 1.5 million students have earned membership in Phi Theta Kappa since its founding, with more than 80,000 students inducted each year. In 1929, the American Association of Community Colleges recognized Phi Theta Kappa as the official honor society for two-year colleges. In 2000, Phi Theta Kappa was admitted to the Association of College Honor Societies (ACHS) as the general scholarship honor society representing two-year colleges.

LET YOUR JOURNEY BEGIN

OPEN HOUSE FOR ALPHA XI BETA CHAPTER OF PHI THETA KAPPA INTERNATIONAL HONOR SOCIETY

October 1, 1999

Dear prospective member,

Alpha Xi Beta extends an invitation for you to accept membership in the international honor society of the two-year college students. Membership is by invitation only and is based on your hours completed and your GPA.

Membership benefits are numerous. Phi Theta Kappa is made up of over 1.2 million members on over 1200 campuses across the world. Benefits consists of Phi Theta Kappa seal on your diploma, the privilege of wearing the Honors Stole and Tassel at graduation, a multitude of scholarships (over \$28 million) exclusively for Phi Theta Kappa members, and recognition on transcripts and resumes. Members are also automatically nominated for the National's Dean's List (a yearly publication of outstanding students that guarantees 30 scholarships to Phi Theta Kappa members annually). These are just a few of the benefits that members can expect by being part of Phi Theta Kappa International Honor Society.

Considering most students are involved with work, school and families, there is not a participation time factor stipulated. Although encouraged, participation in chapter events is on a volunteer basis and is not a requirement for membership into the honor society.

Please note the days and times for the open house, this is the only notice you will receive. Friday October 15, 1999, 6pm @ West Charleston Campus Room B106 and Saturday, October 16, 1999, 3:00pm @ Henderson Auditorium. Refreshments to follow. If for some reason you are unable to attend please feel free to call the chapter office 651-4012, or chapter advisor 651-4229. There is a one time fee of \$70.00 to cover International, Regional and Chapter fees.

This invitation should be viewed as an honor for your diligent efforts in the academic arena and I encourage you to attend Alpha Xi Beta Chapter of Phi Theta Kappa International Honor Society open house.

Phi Theta Kappa*

It is with a great sense of pride that we present this first-ever Phi Theta Kappa Membership Directory – Millennium Edition. Our membership truly reflects a cross-section of society, representing all 50 United States, U.S. Territories, Canada, Germany and Japan. Although we are diverse in nature, we are all bound by one common thread – our relentless pursuit and attainment of academic excellence.

The history of Phi Theta Kappa, from its humble beginnings at Stephens College in Columbia, Missouri, in 1918, to its current international presence at the forefront of higher education, is truly a success story. The Society has witnessed major world events including World Wars, the Great Depression, and political and social unrest, yet through it all has remained steadfast and solid to its commitment in the community college arena and to its own individual membership.

As you browse through the pages contained herein, you are in the company of greatness. Phi Theta Kappa's exemplary members truly reflect the excellence upon which our Society is based. As we journey together through this new millennium, we proudly take with us the mission of our past: to provide opportunity for the development of leadership and service, to support an intellectual climate for the exchange of ideas and ideals, to promote lively fellowship for scholars, to stimulate interest in continuing academic excellence, and to provide academic recognition.

Phi Theta Kappa would like to thank the Stephens College Archives in Columbia, Missouri, for its support of this project.

Sincerely,

Rod A. Risley
